

**Bethanne Kinsella Cople**  
Painting Provence in the  
Lavender Season  
June 15-23, 2025

Why did so many famous painters gravitate towards the South of France? Come with us to witness the light and colors of Provence and you will understand why. Van Gogh, Cezanne and so many others discovered the magic of Provence and now we invite you to join us for a small group experience, "Painting in Provence". An award-winning artist and popular instructor, Bethanne Kinsella Cople will be leading this plein air workshop. Offering daily demos, giving group instruction and helping individuals as we paint local sights, she will help you advance in your artist's journey and ensure that you make the most of your time in Provence. Our group is limited to 12 students, so expect a lot of personal attention.

Visit lavender fields, a Roman Bridge, Provencal markets, medieval villages and the village of Roussillon, famous for it's ochre mines and buildings.

Our goal is to make it easy for you. Unpack at the our private 8 room home. We have easels, palettes, and stools for you in France, so you only need to bring brushes, supports and paints or if you prefer your own pochade and wet panel carrier, that is fine too. Your home for the week is a centuries old stone home on a large estate between the villages of Lacoste and Bonnieux, with a pool and tennis courts. The views from the property are stunning which makes painting right from the property easy.

Your hostess/organizer has been organizing tours to this area for the last 17 years and visiting this corner of Provence for the last 28. Josie can help you find what you need or even a certain site that you may want to paint. She knows where to find the nearby lavender fields and the neighboring villages well. Guillermo (Josie's husband) is the chef and will make nutritious and delicious complete meals for the group. He has had many compliments on his cooking! We take care of the details so you can focus on your art.

Workshop includes: 8 nights lodging in private home, all transportation (including airport and train pickups and drop-offs), breakfast daily, 1 meal per day (lunch or dinner), all sightseeing fees and art instruction. \*International airfare is not included. \$3500 per person double occupancy. We pick

up and drop off at the Marseille Provence (MRS) airport and the Avignon TGV train station. \*Please consult us before booking your travel.

Rooms are assigned based on order of registration and space is limited, so don't wait!
